Miami University (OH)  
Oxford, OH  
BA in Interactive Media Studies  
2016-2020

## Summary of Experience

UI/UX Designer modernizing complex systems and enterprise tools through accessible, scalable design. Transform legacy platforms into intuitive, standards-compliant digital experiences.

## Experience

SEPTEMBER 2021 – FEBRUARY 2026

### Senior UI/UX Designer | Dynamo Technologies LLC

- Led UX strategy and interface design for a consolidated application replacing multiple legacy systems at USGS.
- Designed accessible, standards-compliant interfaces using Google Material, USWDS, and Tailwind.
- Re-architected USFS site structure to prioritize mission-critical information and improve user workflows.
- Collaborated directly with stakeholders to define requirements, validate workflows, and iterate quickly.
- Ensured Section 508 compliance across platforms.

MAY 2020 – NOVEMBER 2020

### UI/UX Designer | Organized Living

- Sole UX Designer responsible for translating executive vision into interactive prototypes
- Produced rapid mockups to align multiple development teams
- Facilitated stakeholder discussions to clarify ambiguous requirements and define user-centered solutions

AUGUST 2019 – DECEMBER 2019

### UI/UX Designer (Internship) | PROtect

- Contributed to UX research, storyboarding, wireframing, prototyping, usability testing, and A/B testing.
- Supported development of a personal safety mobile application from concept to testing.
- Strengthened end-to-end UX process expertise.
